Examination of Tenders and Determination of Responsiveness** 29.1 The Purchaser will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order. In the case where a prequalification process has been undertaken for the Contract(s) for which these tender documents have been issued, the Purchaser will ensure that each tender is from a prequalified Tenderer.
- 29.2 The Purchaser may waive any minor informality, nonconformity, or irregularity in a tender that does not constitute a material deviation, provided such waiver

does not prejudice or affect the relative ranking of any Tenderer.

29.3 Prior to the detailed evaluation, pursuant to ITT Clause 32, the Purchaser will determine whether each tender is of acceptable quality, is complete, and is substantially responsive to the tender documents. For purposes of this determination, a substantially responsive tender is one that conforms to all the terms, conditions, and specifications of the Tender Documents without material deviations, exceptions, objections, conditionality's or reservations. A material deviation, exception, objection, conditionality or reservation is one:

- (i) that limits in any substantial way the scope, quality, or performance of the goods and/or related services;
- (ii) that limits, in any substantial way that is inconsistent with the tender documents, the Purchaser's rights or the successful Tenderer's obligations under the Contract;

and

- (iii) The acceptance of which would unfairly affect the competitive position of other Tenderers who have submitted substantially responsive tenders.

29.4 If a tender is not substantially responsive, it will be rejected by the Purchaser and cannot subsequently be made responsive by the Tenderer by correction of the nonconformity. The Purchaser's determination of a tender's responsiveness is to be based on the contents of the tender itself, and any written clarification submitted by the Tenderer in accordance with ITT sub-clause 27.1.

30. Correction of Errors

30.1 The tender sum as submitted and read out during the tender opening shall be absolute and final and shall not be the subject of correction, adjustment or amendment in any way by any person or entity.

31. Conversion to Single Currency

31.1 To facilitate evaluation and comparison, the Purchaser will convert all tender prices expressed in the various currencies in which they are payable to either:

- (a) the currency of the Purchaser's country at the selling exchange rate established for similar transactions by the Central Bank or a commercial bank in the

Purchaser's country.

31.2 The currency selected for converting tender prices to a common base for the purpose of evaluation, along with the source and date of the exchange rate, are specified in the **TDS**.

32. Evaluation and Comparison of Tenders

32.1 The Purchaser will evaluate and compare the tenders that have been determined to be substantially responsive, pursuant to ITT clause 29.

32.2 The comparison shall be between Prices indicated on the Price Schedule including all costs, taxes, insurance and delivery to the premises of the procuring entity (Delivered Duty Paid-DDP).

32.3 The Purchaser's evaluation of a tender will take into account one or more of the following factors as specified in the **TDS**, and quantified in ITT sub-clause 32.5:

(i) delivery schedule offered in the tender;

(ii) Other specific criteria indicated in the **TDS** and/or in the Technical Specifications.

32.4 For factors retained in the **TDS** pursuant to ITT sub-clause 32.3, one or more of the following quantification methods will be applied, as detailed in the **TDS**:

(a) Delivery schedule.

(i) The Purchaser requires that the Health Sector Goods under these Tender Documents shall be delivered (shipped) at the time specified in the Schedule of Requirements.

or

(ii) The Health Sector Goods covered under these Tender Documents are required to be delivered (shipped) within an acceptable range of weeks specified in the Schedule of Requirements. No credit will be given to earlier deliveries, and tenderers offering delivery beyond this range may be treated as non-responsive.

or

(iii) The Health Sector Goods covered under this

invitation are required to be delivered (shipped) in partial shipments, as specified in the Schedule of Requirements.

- (b) Deviation in payment schedule.
 - (i) The **SCC** stipulates the payment schedule offered by the Purchaser.
- (c) Past performance:

Tenderers need a satisfactory record of performance:

- (i) Those who have previously been awarded contracts to supply similar commodities and failed to deliver as per the contract terms or delivered and commodities recalled for quality issues and failed to replace the same shall be disqualified if designated for an award.
- (ii) Those who are or have been seriously deficient in current or recent contract performance when the number of contracts and the extent of deficiencies each are considered (in the absence of evidence to the contrary or circumstances properly beyond their control) shall be presumed to be unable to meet this requirement and shall be disqualified if designated for a contract award.
- (c) Other specific additional criteria to be considered in the evaluation and the evaluation method shall be detailed in the **TDS** and/or in the Technical Specifications.

32.6 Contacting the purchaser

- (a) Subject to paragraph 28, no tenderer shall contact the purchaser on any matter relating to its tender from the time of tender opening to the time of contract award.
- (b) Any effort by a tenderer to influence the purchaser in its decision on tender evaluation, tender comparison, or contract award shall result in the rejection of the tenderer's tender

33. Preference

33.1 Preference where allowed in the evaluation of tenders

shall not exceed 20%.

F. AWARD OF CONTRACT

- 34. Post qualification**

If a prequalification process was undertaken for the Contract(s) for which these tender documents were issued, the Purchaser will determine in the manner described above that no material changes have occurred after the prequalification that negatively affect the ability of the Tenderer that has submitted the lowest evaluated tender to perform the Contract.
- 34.2 The determination will evaluate the Tenderer's financial, technical, production capabilities and tenderer's past performance. It will be based on an examination of the documentary evidence of the Tenderer's qualifications submitted by the Tenderer, pursuant to ITT sub-clause 7.1, as well as other information the Purchaser deems necessary and appropriate.
- 34.3 An affirmative post qualification determination will be a prerequisite for award of the contract to the lowest evaluated Tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the Purchaser will proceed to the next-lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.
- 35. Award Criteria**
- 35.1 Pursuant to ITT clauses 32, 34 and 39, the Purchaser will award the Contract to the Tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the Tenderer is determined to be qualified to perform the Contract satisfactorily, pursuant to ITT clause 35

- 36.1 The Purchaser reserves the right to accept or reject any tender, or to annul the Tender process and reject all

- and to Reject Any or All Tenders** tenders at any time prior to contract award, without thereby incurring any liability to the affected Tenderer(s).

- 38. Notification of Award** 38.1 Prior to the expiration of the period of tender validity, the Purchaser will notify the successful Tenderer in writing that its tender has been accepted, the receipt of which must be confirmed in writing.
- 38.2 At the same time as the successful tenderer is notified of the award, the unsuccessful tenderer(s) shall be notified that their tender(s) were unsuccessful.
- 38.3 A written contract will constitute the formation of the Contract, *subject to "no appeal"* from unsuccessful tenderers' within the period of fourteen (14) days from the date of Notification of Award.
- 38.4 Upon the successful Tenderer's furnishing of the signed Contract Form and performance security pursuant to ITT clause 39, the Purchaser will promptly release the tender security of each unsuccessful Tenderer(s), pursuant to ITT clause 19.
- 39. Signing of Contract** 39.1 Promptly after the Purchaser notifies the successful Tenderer that its tender has been accepted, the Purchaser will; after fourteen days (14 days) but within twenty one days (21 days) invite the successful tenderer after complying with ITT clause 40.1 to sign a contract.
- 39.2 Within seven (7) days of the invitation to sign the contract, the successful Tenderer shall send authorized signatories to sign the contract.

Any claims by the Supplier for adjustment under this clause must be asserted within thirty (30) days from the date of the Supplier's receipt of the Purchaser's change order.

As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of Contract.
- 21.3 Except as provided under GCC Clause 24, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of liquidated damages.
- 22. Liquidated Damages** 22.1 Subject to GCC Clause 24, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the SCC of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in the SCC. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause 23.

- (e) if the Supplier fails to perform any other obligation(s) under the Contract.

23.2 In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 23.1, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar Goods or Services. Such events may include, but are not restricted to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- 25. Termination for Insolvency**
- 25.1 The Purchaser may at any time terminate the Contract by giving written notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to the Purchaser.
- 26. Termination for Convenience**
- 26.1 The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.
- 26.2 The Goods that are complete and ready for shipment within thirty (30) days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:

 - 27.2.1 Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the Goods under the Contract.
 - 27.2.2 Arbitration proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
